Expert

PUBLICATIONS

Technical Blogs

Elisha Kibet

Built an hashnode blog site that is rich in technical blogs ie. how-to guides, exploration on various tech stacks

I'm a passionate computer scientist and software developer with a strong foundation in programming, problem-solving and resilience to lifelong learning. My coursework and personal projects have equipped me with proficiency in various programming languages and software development tools, allowing me to design and implement efficient and scalable solutions. With a focus on quality, creativity, and adaptability, I am poised to contribute to and thrive in the ever-evolving field of technology.
